RACING SUITS & TRIATHLON

agonswim.com

racing suits

Agon's paper racing suits are made of woven high density microfiber, which results in extremely light suits that provide excellent compression to reduce muscle vibration. These suits have a water repellent coating to limit water absorption. They also have a limited number of seams in order to reduce drag. Better still, we are able to custom dye these technologically advanced racing suits especially for your team. Agon's racing suits are built for speed and designed for you!

triathlon

Agon offers four triathlon suits for men and two for women, plus our male and female singlets, in custom, solids, and prints.

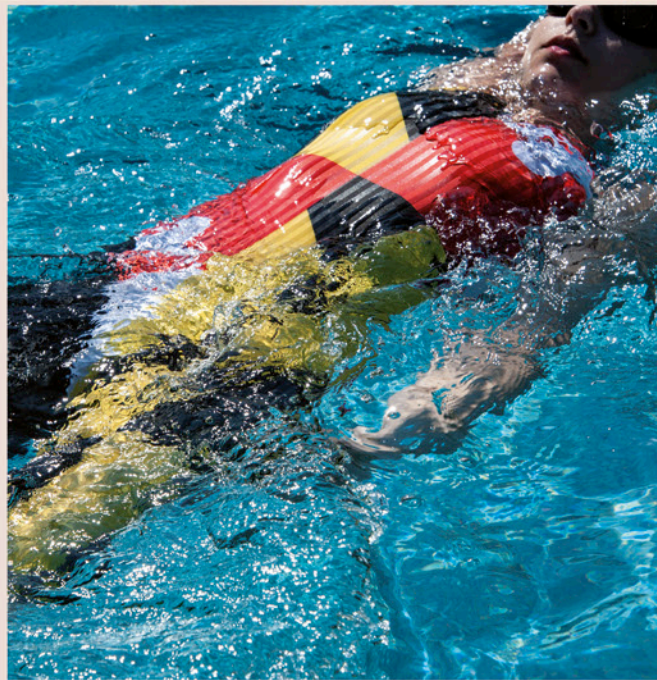

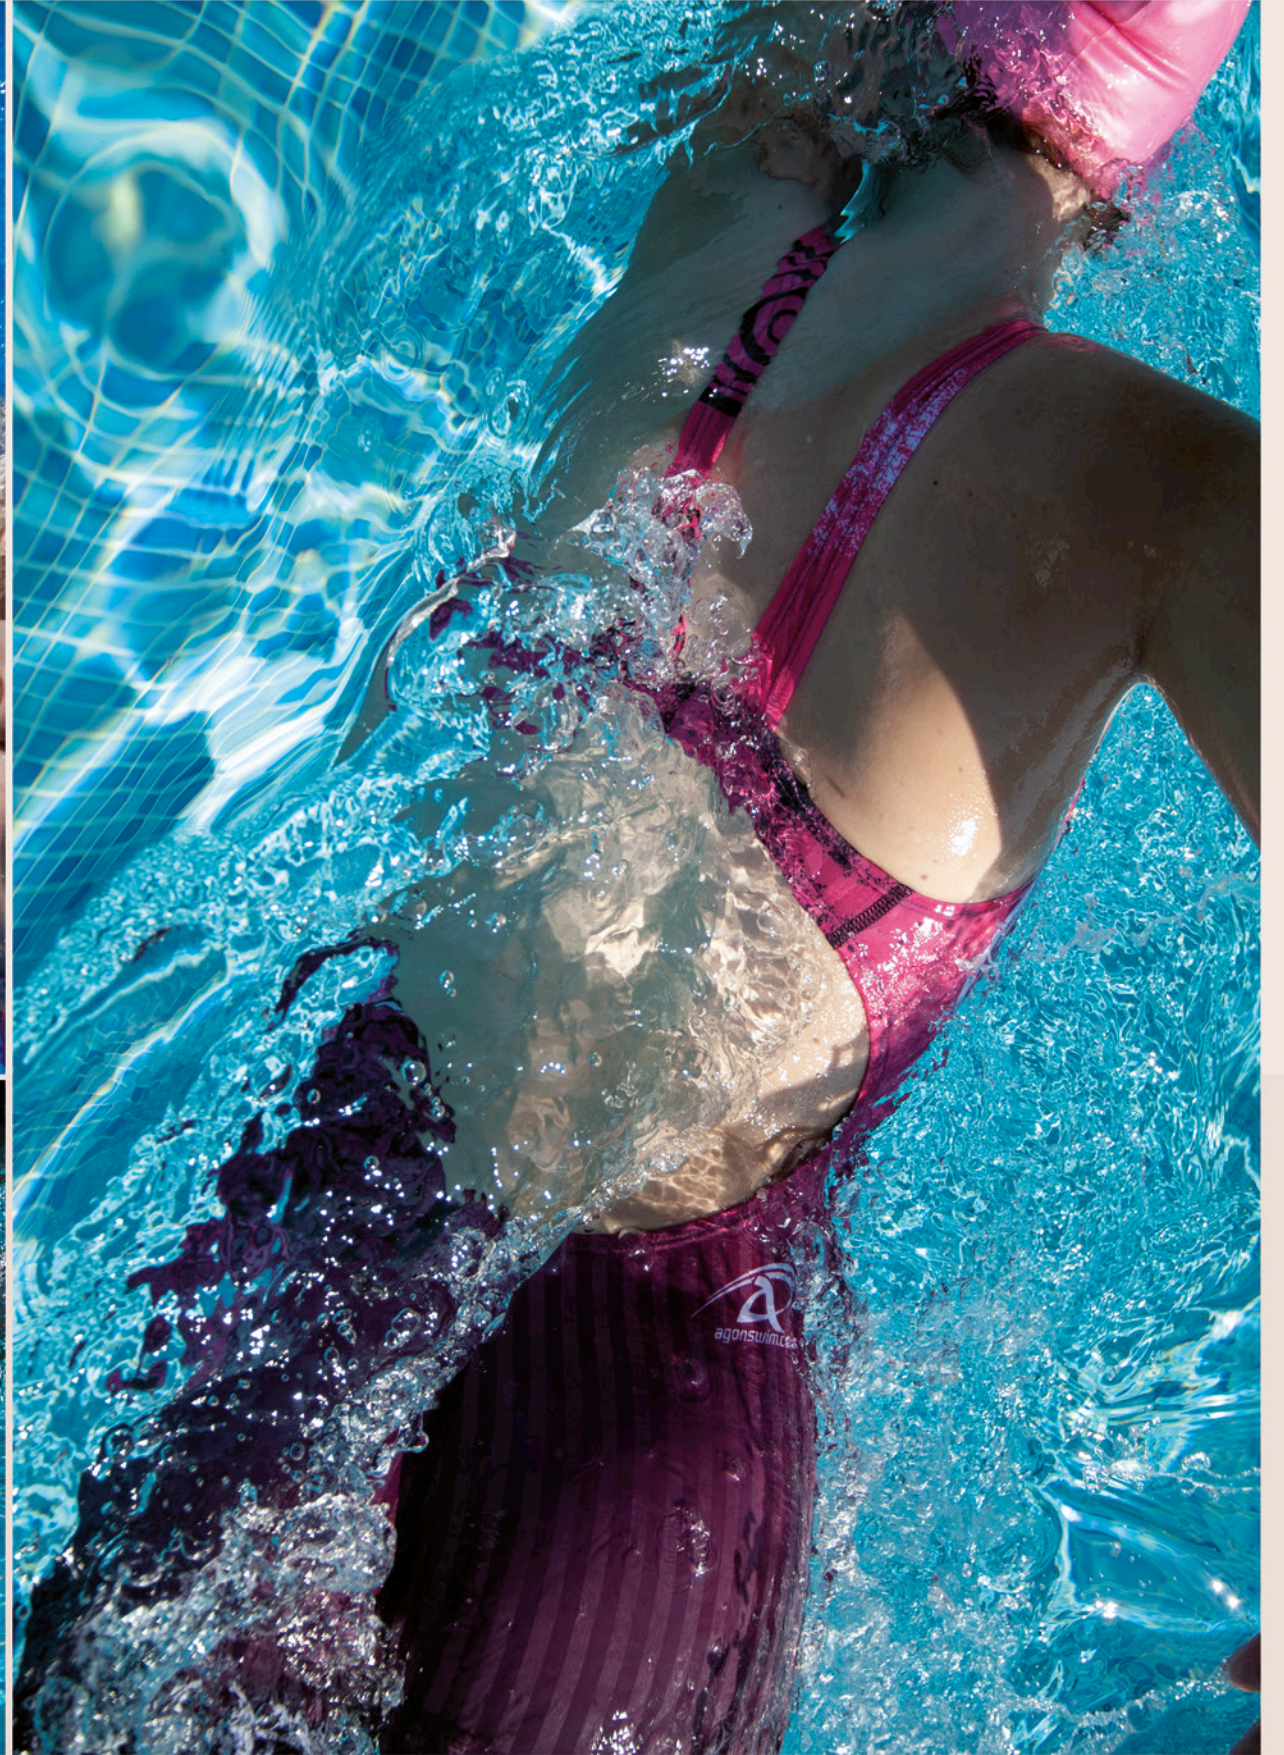

affordable, quality, custom!
