materials

Lycra®

Lycra® is knitted 82% polyester, 18% Spandex. Spandex is the generic name for Lycra®, which is our most popular swimsuit fabric. Lycra® is sleek and smooth to the touch; it slides through the water.

Speedline

Speedline is 45% polyester, 55% PBT (texturized polyester with natural stretch similar to spandex). This fabric is chlorine resistant and has two way stretch, although not as much stretch as Lycra. Speedline is sleek to touch.

Streamline

Streamline is a high technology fabric designed to reduce drag by its water repellent stripes. This fabric is knitted 87% polyester, 13% polyurethane, with water repellent resin stripes. Streamline is sleek and smooth to the touch. It is a denser fabric than Lycra. With its resin stripes, it slices through the water.

Mesh

Mesh is 100% knitted polyester in a mesh-like pattern, with small holes.

Canvas

Canvas is a heavy, coarse, closely woven 688 denier polyester with urethane backing.

Polyester

100% woven polyester is a smooth, durable fabric that is sleek to the touch and quick drying.

PBT

PBT is 100% PBT. This fabric is chlorine resistant and has two way stretch. It is more durable than fabrics made with Lycra®, but does not have as much stretch. Agonswim.com's PBT is sleek to the touch and has a matte look.

Knit Polyester

100% knit polyester is soft to the touch and quick drying. It is similar to the 'nylon' swimsuits manufactured back in the 60s and 70s. It is very durable and does not degrade in chlorine.

Coolmax®

Coolmax® is 100% polyester. This fiber is made of four channels that pull moisture away from skin. It dries five times faster than cotton. Coolmax® also offers superior breathability.

how we do it

1

Logo

The first step is to call AgonSwim at 1.877.718.9483 or send us an e-mail at info@agonswim.com. We can give you a price quote based on your suit design ideas and quantity. We then work together to perfect your design. AgonSwim's design department can help your team free of charge! Around this time, AgonSwim sends your team a sizing kit.

2

Fabric

Once the design is finalized and approved by your team and your team has given us its sizes, AgonSwim begins its production process, starting by creating your fabric.

3

Dyeing Fabric

Next, we dye your fabric to your design specifications.

4

Sewing

Next, we sew your suits and then ship them to your team. The entire production process usually takes two to three weeks. For a fee, we can speed up this production process to meet specific delivery dates.

5

Swimwear

The end result: your team looks great in its custom dyed suits. You have created a unique image that builds team spirit and unity.

AgonSwim dyes your logo into your suit's fabric, while other companies can only provide a silk-screened logo.

Silk-screen
Silk screened logos cannot stretch, so they end up cracking and peeling off your suit.

Agon dyed
With Agon's dyeing method, your logo stretches and lasts as long as your suit!

custom

POSITION YOUR LOGO, MASCOT, OR OTHER DESIGN ELEMENTS WHEREVER YOU WISH

AgonSwim custom dyes any design, any mascot, any logo, any colors you choose for your team suits. You can dye the front, back, sides and straps. In any style, any fabric... We begin with white material and go from there, following your wishes!

Be creative with your design or have the AgonSwim design staff help you for free!!!

custom

CUSTOM DYED SWIMWEAR '07

egonswim.com CAN EVEN PERSONALIZE YOUR SWIMWEAR BY DYING EACH INDIVIDUAL'S HAIR OR NICKNAME ON HIS/HER SUIT! There is a per suit fee for personalization.

see prices on pages 23-24

AgonSwim gives your team the possibility to create its own image and build team unity. There are no limits with AgonSwim completely custom swimwear!

Custom

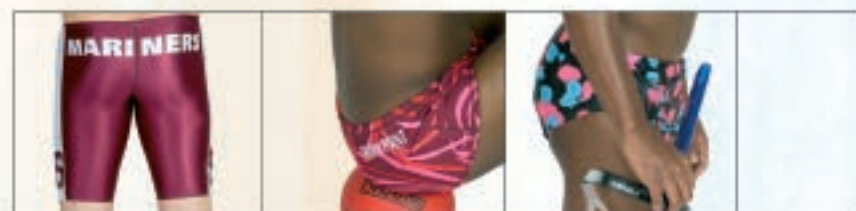

Worried that your team colors will be see-through? AgonSwim has a special lining that can be dyed any color on one side to reduce potential transparencies and still maintain the vibrant colors in your design.

custom

Your team can mix fabrics and styles in any combination, for example, some streamline, some Lycra®, some sprintbacks, some briefs, some training suits...

CUSTOM DYED SWIMWEAR 07

see prices on pages 23-24

custom

There are no limitations on what you can design for your team with Agonswim custom swimwear. These are some examples of how teams have created a unique look and identity with their swimwear designs.

custom

Why buy off the rack when you can design your very own team suit? Your team suits should be in your team colors (all of them) with your team logo and mascot dyed into the fabric. You don't need to settle for mass-produced suits any longer!

AgonSwim makes two different styles of custom items: completely custom, where you can design anything, anywhere on your suit, and solid with dyed logo, which has a slightly lower price, but has some limitations. On solid with dyed logo suits, the logo can be up to 1/4 of a letter-sized page in area. You are allowed one logo per suit, and the logo size must be the same for all the items in your order (men and women). The logo can be positioned anywhere on the item.

grab bag items

When AgonSwim makes suits for teams, we often make a few extra.

These are first quality team suits that we sell at great low prices for practice or workout. Keep in mind, though, that you never know what team you will receive. The picture above shows some potential grab bag suits.

How to Order:
Call us toll free at 1-877-718-9483.
Prefer fax? Our FAX number is 1-240-256-7301.
We also encourage orders placed on the Internet.
Our web site address is www.agonswim.com.
Our e-mail address is info@agonswim.com

Information for Parents and Coaches:
Your name and address, your team's name, if applicable, and your phone number.
A description of the style, size, and quantity of swimwear you wish to order.
Credit card number with expiration date.

Methods of Payment:
AgonSwim accepts Visa, MasterCard, American Express, Discover, personal checks, e-checks, and purchase orders (POs) for institutions.
For team accounts, AgonSwim charges 1.5% interest per month on accounts that are over 10 days past due.

Methods We Ship:
AgonSwim ships primarily with UPS ground. We can ship to you more quickly at an additional charge.
For a detailed list of shipping charges, visit our web site at www.agonswim.com

Information for Parents and Coaches:
Number of male suits, number of female suits, number of colors in your design (white is always considered a free color), plus the suit styles and fabrics.

Shipping:
In the process of ordering your suits, we will need to send you a sizing kit so that each swimmer can be sure to order the correct AgonSwim size. We will need a credit card number from your representative before we send the sizing kit. In the case that you do not return the sizing kit, we will charge your credit card for the cost of the sizing kit.

Fitting:
AgonSwim uses a high quality Lycra® that does not stretch out like other manufacturers' suits. Therefore, you should not feel that your AgonSwim suit fits tightly. AgonSwim suits will not "relax" or stretch out over time, so make sure your suit fits comfortably now. If your suit is too tight, it will wear unevenly and will not last very long. If you think your suit does not fit, send it back before you wear it, and we'll exchange it for another size. Please note: you must follow our return policy and the suit must be in "as new" condition.

Return of Unused Suits:
Many swimmers believe that in order to swim fast, they need to buy a suit that is too small. When swimmers do this, they shorten the life of their swimsuit. In order to swim fast, swimmers can order a variety of AgonSwim products including unlined suits in streamline fabric. However, we still do not recommend undersizing in any of our products.

Washing:
Your AgonSwim suit will last the longest if you do not machine wash it. Soap and shampoo contain detergents that harm swimwear fabric. It is important to rinse your suit in cold, clean water each time you wear it to remove chlorine and perspiration. It is best to hang your suit to dry, rather than leaving it in a bag or rolled up in a towel. Do not bleach, iron, or dry clean your swimwear.

Quality:
AgonSwim uses the highest quality materials and sewing processes for all its suits. However, it is a fact of life that swimwear fabric has a limited usable life in chlorinated water. How long your AgonSwim suit lasts depends on the fit of the suit, how you take care of the suit, and the pool conditions where you use your suit.

Clean the Swimsuit Fabric:
Swimsuit fabric is easily damaged when placed in contact with rough surfaces. To maintain the high quality look and feel of your new AgonSwim swimwear, please avoid contact with rough surfaces, including pool walls and pool decks. THIS MEANS YOU SHOULD NOT SIT ON THE POOL DECK OR PULL YOURSELF OUT OF THE POOL ALONG THE SIDE OF THE POOL!

Always sit on a towel or kickboard and use the stairs to exit the pool.

HEALTH REGULATIONS STATE THAT SWIMWEAR THAT IS SOILED, WORN, DAMAGED OR UNLINED IS NOT SUITABLE TO BE IN CONTACT WITH SWIMMERS AND CANNOT BE RETURNED.

AgonSwim Return Policy:
AgonSwim only accepts returns on custom items if there is a manufacturing defect (which must be approved as a defect by AgonSwim). US Health regulations prohibit the return of used swimwear. Therefore, it is important that you examine the item(s) in your order for manufacturing defects prior to usage. AgonSwim will only replace unused, defective merchandise within 30 days of purchase. In order to obtain a replacement, please sign in to our website (www.agonswim.com) using your login ID and password. Follow the return item link for detailed instructions to obtain a return merchandise authorization (RMA). An RMA is required for all returns. If you wish to replace the returned item, place a new order to replace the item. To ensure that items you are returning arrive to us safely, we suggest you protect yourself against loss by using Insured Mail or UPS. Please allow 2 billing cycles for the credit to appear on your credit card statement, or approximately one month to receive a check in the mail (if you paid by check).

AgonSwim Return Policy:
AgonSwim allows returns of non-custom items within 30 days of purchase if they are in "as new" condition, consistent with US Health regulations, which prohibit the return of used swimwear. Therefore, it is important that you examine the item(s) in your order prior to usage. In order to return an item, please sign in to our website (www.agonswim.com) using your login ID and password.
